E. Footnotes

1. No individual course can count towards more than one requirement within the A, B, or C groups.
2. You cannot count BIOL 51a as an Add'l Elective if you are using either ECON 83a or PSYC 51a for your quant requirement.
3. Only one PHIL class can count as a neuroscience elective.
4. NEUR 99A & NEUR 99B, 199A and 199B. or NEUR 93 and one semester of NEUR 99, count as one elective taken together. Candidates for NEUR 99 must petition the program committee before the first semester of their senior year and submit a thesis. Candidates for the Senior Honors Program must also orally defend a thesis.
